

Kabini Champs of Champs Tournament – Donations Disclaimer

Donations & Contributions Disclaimer

The **Kabini Champs of Champs Tournament** is a community sporting initiative hosted by the **Samukele Kabini Foundation**, with the objective of promoting sport, youth participation, community development and positive opportunities for young people.

All donations and voluntary contributions made towards the tournament are intended to assist with the planning, organisation and delivery of the tournament and its related community sporting activities.

Donations may be allocated towards tournament-related expenses, including sporting equipment, venue costs, match officials, security, medical and first-aid services, refreshments, trophies and awards, logistics, marketing, administration and other reasonable operational requirements.

Voluntary Contributions

All donations are voluntary. A donation does not automatically entitle the donor to any goods, services, prizes, sponsorship benefits or other consideration unless this has been separately agreed upon in writing between the donor and the Samukele Kabini Foundation.

Use of Donations

The Foundation reserves the right to apply donations towards the tournament expenses and related community sporting activities where necessary. Where circumstances require, funds may be redirected towards reasonable costs that support the objectives of the tournament and the Foundation.

No Guarantee of Tax Deductibility

Unless expressly confirmed by the Samukele Kabini Foundation in writing, **donations should not be regarded as tax-deductible contributions.**

Donors should obtain their own independent tax advice regarding the tax treatment of any donation or contribution. Where applicable, the Foundation will provide the donor with the relevant documentation required in terms of its legal and tax status.

Refunds

Because donations are voluntary contributions towards the organisation of a community sporting initiative, donations are generally non-refundable once processed. Any exceptional refund request will be considered by the Foundation on a case-by-case basis.

Fraud Prevention

Donors are encouraged to make contributions only through the **official payment channels communicated by the Samukele Kabini Foundation.**

The Foundation will not be responsible for payments made to unauthorised individuals, fraudulent accounts, unofficial payment links or third parties claiming to represent the Foundation.

If you are uncertain about the legitimacy of a donation request, please contact the Foundation directly before making payment.

Acknowledgement

By donating, the donor acknowledges that they have read and understood this disclaimer and voluntarily choose to contribute towards the Kabini Champs of Champs Tournament and/or related Foundation activities.

Thank you for supporting community sport and helping us create opportunities for young people.
